# Irritrol Policies and Procedures

**Orders**

Orders must be placed in bag/carton quantities as indicated. Orders that do not meet this criteria will be rounded up to full carton quantities prior to shipment and noted on your order confirmation.

**Minimum Order:**

$100.00 Net. This minimum applies to whole goods orders only and not to orders for parts, repair or literature.

**Late Charge**

All invoices not paid by the net due date will be subject to a service charge of the lesser of 1½% per month (18% annual percentage rate), or the highest rate then permitted by applicable law.

**Credit Terms**

Dating terms, as well as all open account credit terms, are made available to those customers which the company's credit department determines to be credit-worthy. Customers may participate in buying programs or enjoy open account dating terms only as long as such credit-worthiness, as determined by the company, is maintained. If such credit-worthiness is not maintained, dating terms on future purchases may be revoked, or all outstanding customer obligations under open account shall become immediately due. Either action may be taken at the company's option and upon written notice to the customer. If an unresolved credit issue extends beyond 30 days, open orders may be subject to shipment hold or cancellation.

**Freight Terms**

Irritrol will ship Freight Prepaid any orders valued at a minimum of USD $1,200.00 net (in the contiguous U.S.) or USD $3,500.00 net (Canada) and can include any products in this price list. Orders that are less than $1,200.00 net (or $3,500 net in Canada) will be charged a 6% shipping charge for ground shipments.
